### OFFICIAL USE ONLY

Dues Received

Card Issued

Newsletter Editor Notified

AMA Membership Confirmed

### Things to remember about being a SAM Member:

- **Gate Lock:** The gate lock combination is on your membership card. If you open the gate close the lock and don't leave the tumblers on the combination. Last person out lock the gate.
- **Entrance Road Speed:** Please keep your speed below 15 MPH to keep down dust.
- **Announce Intentions:** While taking off and landing please announce **loudly** your intentions if there are other aircraft in the air.
- **Flight Station Etiquette:** Remove all your ground support equipment from the flight station area when you are through with your flight. Do not leave your aircraft in the flight station.
- **Flight Pattern:** Fly a rectangular flight pattern to avoid the danger of head on collisions with other aircraft in the air.
- **Helicopter Flag:** Be familiar with the helicopter flag that avoids helicopter and fixed-wing flying at the same time (see the Bylaws document for explanation).

I hereby certify that I will abide by the A.M.A. Safety Code and the Salinas Area Modelers' Constitution, Bylaws, and Rules and Regulations. I further understand that I am responsible for keeping myself apprised of any published changes to the above.
